

FREESTYL PROTEIN GEL

THE ONE WITH FIRM ELASTICATED GRIP

THE DETAILS:
Flake-free hold for a properly groomed look.

A modern styling gel, without the brittleness and flakiness of the gels that went before it. One product, two finishes – protein infused film formers help thicken the hair whilst giving a sharp hold and medium shine, or can be restyled once dry to give volume and lift for a more natural looking finish.

- Paraben and Phthalate free
- Certified cruelty free
- Suitable for vegans

GET THE RESULT:
Dispense to hands and apply to towel dried hair, style with hands or comb and allow to set. For more relaxed styles, ruffle the hair to soften the hold when dry and apply a finisher. Avoid contact with eyes.
